Watch your speed and accuracy soar with the Wave(tm) writer

CLEARLY IN VIEW

The vibrant flat-panel screen clearly displays steno outlines as you write them, giving you the best kind of feedback -- immediate feedback -- to enable you to practice proper technique while you build speed.

Display and Navigation Functions

- Slant display panel up to 65 degrees for use in varying lighting conditions
- Select font size to one of five choices for larger text or more context
- Read back directly from the screen -- without a computer
- Scroll Up/Down to find a point of readback
- Search for a steno outline or a mark to find a point of readback quickly
- Scroll down with the touch of a button while reading

TrueStroke(tm) Touch and Easy Adjustments

- TrueStroke(tm) technology (patent-pending) utilizes software to accurately track the movement of each individual keystroke. It replaces traditional contact adjustments and helps you achieve cleaner writing with less effort.
- Tension and Depth adjustment wheels are easily within reach.
- Function buttons for on/off, clear memory and more.
- Easily adjust the keyboard slant +/-10° for comfort and variety in posture.

Computer compatible and realtime ready

- Internal fifty-page memory provides storage of practice materials
- Transfer internal memory via USB cable to Case CATalyst and other CAT software to translate and transcribe assignments.
- Realtime with Case CATalyst and other CAT software for simultaneous translation and display of text

Package Includes:

- Wave writer with your choice of wide keys
- EasyLock Z12 tripod stand for quick set up and put away.
- Rechargeable battery pack
- A/C Adapter Charger
- USB cable for realtime and internal memory transfer
- Wheeled backpack

The **wheeled backpack** holds your writer, tripod, accessories and a special Jet Bag that protects the writer inside the backpack. The Jet Bag functions as a compact shoulder bag for carrying the writer separately from the wheeled backpack when you don't need all your accessories.

With our **Upgrade Guarantee**, buying a Wave writer is one of the best investments you can make. When you buy a professional writing machine within three years of purchasing your Wave writer we'll guarantee you a \$1,000 trade-in value. No one else can beat an offer like that!

Investment Certificate program at your school? Check with your school or call us to learn if your school participates in the Stenograph Investment Certificate Program for special offers. Both you and your school benefit.
